

# IDW/AD '16

December 7-9, 2016  
Fukuoka International  
Congress Center, Fukuoka, Japan

## The 23rd International Display Workshops in conjunction with Asia Display 2016

### FEATURES OF IDW/AD '16

IDW/AD '16 will integrate thirteen workshops in specialized fields playing important roles in information display activities. Each technical session will consist of oral presentations and poster presentations. The innovative demonstration session (I-DEMO) that has a space for live demonstrations will be offered for the presenters. Detailed and fruitful discussions on each specialized R&D update will be provided. The workshops should be of interest not only to researchers and engineers, but also to those who manage companies and institutions in the display community.

### SCOPE OF IDW/AD '16

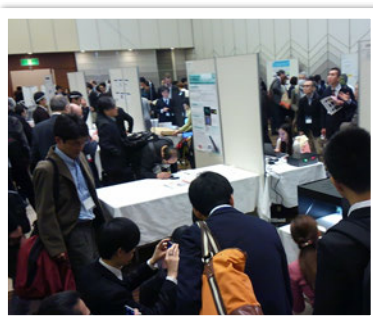

- Active-Matrix Displays
- Display Electronic Systems
- Emissive Technologies
- e-Paper
- Flexible Electronics
- Human Factor
- Liquid-Crystal Technologies
- Manufacturing, Process and Equipment
- Materials and Components
- MEMS
- Organic Light-Emitting Displays and Organic Devices
- Projection and Large Area Displays
- 3D / Hyper-Realistic Displays
- Interactive Technologies

### SPECIAL TOPICS OF INTEREST

- Oxide Semiconductor TFT
- AR /VR and Hyper Reality
- Lighting and Quantum Dot Technologies
- Printed Electronics
- Automotive Displays

Fukuoka International Congress Center

I-DEMO (IDW '15)

### IDW Best Paper Award and IDW Outstanding Poster Paper Award

The awards committee of IDW will select the most outstanding papers from those presented at IDW/AD '16. The winners will be announced on the IDW website and awarded a plaque after the conference.

### Extended Paper for Journals

Some papers will be recommended for submission as extended papers to the Special Section of the Journal of the ITE, the Journal of the SID, and the IEICE Transactions on Electronics.

### Record of IDW '15

Date: 2015.12.9-11  
Site: Otsu Prince Hotel, Otsu,  
Japan  
Number of Attendance: 1273  
from 16 countries and region  
Number of Papers: 461

### Committees

General Chair  
Mutsumi Kimura (Ryukoku Univ.)  
Executive Chair  
Munekazu Date (NTT)  
Program Chair  
Reiji Hattori (Kyushu Univ.)

### Sponsors

The Institute of Image Information and  
Television Engineers

The Society for Information Display
