

IDW '18

December 12-14, 2018
Nagoya Congress Center
Nagoya, Japan

The 25th International Display Workshops

FEATURES

IDW '18 will integrate thirteen workshops in specialized fields playing important roles in information display technologies. Each technical session will consist of oral presentations or poster presentations. I-DEMO will be held in a large space for live demonstrations that will be available for presenters. Detailed and fruitful discussions on each specialized R&D update will be provided. The workshops should be of interest not only to researchers and engineers, but also to those who manage companies and institutions in the display community.

SCOPE

- Active-Matrix Displays
- Display Electronic Systems
- Emissive Technologies
- e-Paper
- Flexible Electronics
- Human Factor
- Interactive Technologies
- Liquid-Crystal Technologies
- Manufacturing, Process and Equipment
- Materials and Components
- MEMS
- OLED and Organic Devices
- Projection and Large Area Displays
- User Experience and Cognitive Engineering
- 3D / Hyper-Realistic Displays

SPECIAL TOPICS OF INTEREST

- Oxide Semiconductor TFT
- AR /VR and Hyper Reality
- Quantum Dot Technologies
- Automotive Displays
- Wide Color Gamut and Color Reproduction
- Haptics Technologies

IDW '17

IDW Best Paper Award and IDW Outstanding Poster Paper Award

The awards committee of IDW will select the most outstanding papers from those presented at IDW '18. The winners will be announced on the IDW website and awarded a plaque after the conference.

Extended Paper for Journals

Some papers will be recommended for submission as extended papers to the Special Section of the Journal of the ITE, the Journal of the SID, and the IEICE Transactions on Electronics.

Record of IDW '17

Date : 2017.12.6-8
Site : Sendai International Center,
Sendai, Japan
Number of Participants : 1296
from 22 countries and region
Number of Papers : 456

Committees

General Chair
Akiyoshi Mikami (Kanazawa Inst. of
Tech.)
Executive Chair
Yuzo Hisatake (Japan Display)
Program Chair
Hideya Kumomi (Tokyo Tech)

Sponsors

The Institute of Image Information and
Television Engineers
The Society for Information Display
